9. Records of the video teleconference on the afternoon of the September 16th, 2012, between the FBI and other IC officials in Washington, regarding FBI interviews with U.S. personnel who had been on the compounds in Benghazi during the attack. For your reference, the following is an excerpt from the December 30, 2012, Senate Committee On Homeland Security And Governmental Affairs, "Flashing Red: A Special Report On The Terrorist Attack At Benghazi:"

On September 15th and 16th, officials from the FBI conducted face-to-face interviews in Germany of the U.S. personnel who had been on the compound in Benghazi during the attack. The U.S. personnel who were interviewed saw no indications that there had been a protest prior to the attack. Information from those interviews was shared on a secure video teleconference on the afternoon of the 16th with FBI and other IC officials in Washington; it is unclear whether the question of whether a protest took place was discussed during this video conference.

10. Complete Autopsy Reports of each of the victims of the September 11th and 12th, 2012, Benghazi attacks of the Ambassador's compound, and the CIA Annex.

Electronic Format. Kindly produce these records in electronic format. *See e-FOIA amendment 5 U.S.C. § 552 (a)(3)(B), as amended, requiring Agency to "provide the record in any form or format requested . . . if the record is readily reproducible by the agency in that form or format." See generally FOIA Update Vol. XVII, No. 4, 1996.*

Request for Waiver of Search and Review Fees. As a representatives of the news media, Accuracy in Media, Inc. ("AIM"), submits that it is entitled to a waiver of any fees associated with the search and review of records responsive to these FOIA Requests, under 5 U.S.C. § 552 (a)(4)(A)(ii)(II). AIM is organized and operated to publish or broadcast news to the public.

Upon disclosure of the records sought, AIM has concrete plans to make the information public. Its ability and intent to disseminate the information requested, is beyond question. Accuracy in Media Articles on the subject include "The MSM and Benghazi: Will Their Coverage Harm Obama Administration?," "Shameful Media Coverage of Benghazi Scandal and Cover-up," "Media Embrace Obama's Controversial Picks for National Security Team," "New York Times Attempts to Blur Benghazi Scandal," "McClatchy Reporter Changes Tune on Benghazi," "CBS in Damage Control Over Error-Filled Benghazi Report," "'60 Minutes' Reveals Little New in Benghazi Exposé," "The Left's Continued Assault on the Truth About Benghazi," "Media Coverage of Benghazi Leans Toward Political Theater," "Conservative Leaders Call on

Speaker Boehner: Form a Select Committee on Benghazi," "Further Proof That Obama Knew the Truth About Benghazi," "Blaming the Victim in Benghazi," "Obama and His Media Loyalists Still Spinning Benghazi," and "Does Navy Map Alter the Benghazi Narrative?"

Additionally, several of the individual requesters have published articles about the matter, demonstrating, *inter alia*, the background, experience, and expertise of the FOIA requesters in the subject area of the requests. See, for examples, "Navy SEAL: 'There's guilt in this administration,'" by Captain Larry Bailey, published in WND.com in April of 2013; two articles by Clare Lopez appearing in Pundicity.com in October of 2012, "Benghazi: The Set-Up and the Cover-Up," and "Did Turkey Play a Role in Benghazi Attack?;" and Admiral James Lyons' pieces appearing in the Washington Times, "Obama's Chain of Command Unravels Over Benghazi (October 2012), "Obama needs to come clean on what happened in Benghazi" (October 2012), "The Key Benghazi Questions Still Unanswered" (January 2013), "A hard slog to get Benghazi answers" (January 2013), and "A call to Courage over Benghazi" (May 2013).

AIM, as well as the individual FOIA requesters, intend to use the requested information in scholarly or other analytic work, for dissemination. Neither AIM nor the individuals identified above have any "commercial interest" that would be furthered by the disclosure of the requested information, as that term has been interpreted by the courts under 5 U.S.C. § 552 (a)(4)(A)(ii)(II).

Public Interest Fee Waiver. 5 U.S.C. § 552(a)(4)(A)(iii) provides that "[d]ocuments shall be furnished without any charge or at a charge reduced... if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester."

Here, the FOIA requesters do not have a commercial interest in the disclosure. Their purpose is to inform the public. The subject of the requested records concerns the operations or activities of the United States Government. The information sought is directed at finding out what information the government has about its failure to timely respond when its facilities came under attack. These FOIA Requests also concern what information the government did not provide to the public, as well as congressional investigators.

Upon disclosure of the records sought, AIM, as well as other several of the individual requesters, has concrete plans to make the information public, in accordance with AIM's news dissemination function. The information sought would be likely to contribute to an understanding of United States Government operations or activities, and disclosure will enhance public understanding of the Benghazi incident as compared with awareness prior to the disclosure. The interest of enhancing the public's understanding of the operations or activities of the U.S. Government is clear, and the records' connection to these government activities is direct.

Release of the information will contribute to an understanding of government operations or activities regarding the Benghazi issue, as compared with awareness prior to the disclosure. Thus, the requesters provide an adequate showing of their concrete plans to disseminate the requested information, and adequately demonstrate how disclosure of the requested documents meets the requirements for a public interest fee waiver.

Reply to Accuracy in Media. If you have any questions about handling this request, please ask via email, to JohnHClarke@earthlink.net. Otherwise, kindly respond, and produce records, to Accuracy in Media, 4350 East West Highway, Suite 555, Bethesda, MD 20814-4582.

Sincerely,

A handwritten signature in black ink, appearing to read "John H. Clarke".
