NOTICE OF FILING

Come now the plaintiffs and give notice of the filing of the attached proposed Order which this Court directed them to submit to Chambers by Minute Order issued January 26, 2010. In that Minute Order this Court ordered plaintiffs to submit their proposed Order by January 29, 2010 to Kennedy Chambers@uscourts.gov “in a word-processing (non-pdf) format.” The undersigned counsel, acting upon behalf of all plaintiffs, attempted to do this after 8:00 p.m. That effort failed because counsel had mistyped the email address. He then tried a second time a short time later. He then went with his wife to see a late night movie, returning home shortly before midnight. At then discovered that his corrected email address had also been rejected.
