MEMORANDUM FOR THE RECORD

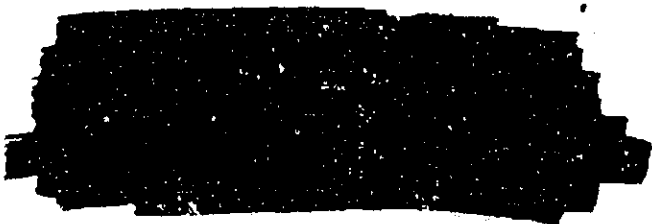

SUBJECT: POWS/MIA in Laos

138

1. The attached updated list of PW/MIA in Laos was prepared by JPRC as of July 1968.

2. Additional comments from JPRC indicate that BLEWETT, Allen L, DUFFY, Charles J, and PARK, Raymond F. were not recorded by JPRC but are now listed. Also, BRACE, Ernest C. and DEBRUIN, Eugene have been added to the JPRC list. TYSZKIEWICZ, Arthur K. remains have been found and turned in by [REDACTED]. Both WALLACE, Michael W. and MILIUS, Paul L. are listed by JPRC as KIA because their aircraft exploded on impact.

3. JPRC also noted that the attached list does not necessarily reflect component services' official views. Some men carried as MIA by their component are regarded as KIA, and therefore do not appear on the attached list. The JPRC list is unofficial and not releasable to the public; but it does represent their best estimate of the current status of U.S. MIA and PW detained in Laos.
