ORDER

By Order filed October 7, 2014, the Court set a schedule for filing dispositive motions in this case, as well as a schedule for disposition of an interim award of attorney’s fees.

Although the interim fee award was made on July 15, 2015, plaintiffs have taken no other action to prosecute this case since the Court’s Order of October 7, 2014.

The parties jointly sought, and received, a stay of proceedings until January 26, 2015. Nothing has been filed since 2014 except in connection with attorney’s fees. The stay expired a year ago.

Accordingly, plaintiffs shall show cause, within 14 days of this date, why this case should not now be dismissed for failure to prosecute.

It is **SO ORDERED**.

Signed by Royce C. Lamberth, Judge, on January 29, 2016.
