(D.C. Cir. No. 04-5235)

Dear Mr. Lesar:

On 5 January 1994 and 23 April 1998, your client, Roger Hall, submitted Freedom of Information Act (FOIA) requests seeking the following information:

1. POW/MIAs sent out of S.E. Asia (to China, Russia, N. Korea, Cuba, etc.); whether they be civilian or military even if they are not now in a prisoner status as long as they at any time were a POW/MIA and have not returned, been returned, or their remains returned; even if they voluntarily allowed themselves to go after being captured. (F-1994-00036)
2. Access to and copies of all radio and television broadcast intercepts and newspaper articles from 1968 through and including 1973 that are within the possession and control of the CIA or any agency components, including those that may then have been in existence such as the National Imagery and Mapping Agency (NIMA) and Studies and Observation Group (SOG), and which relate in any way to or mention prisoners of war (POWs) or those missing in action (MIAs) from the Vietnam war or any other conflict then ongoing in South East Asia. (F-1998-00734)

3. All records, reports, memoranda or other documents, in the possession and control of your agency which were prepared by or assembled by the Central Intelligence Agency, including any of its controlled American sources or any other CIA assets or agents, based upon information derived from CIA or other sources, including such foreign and governmental entities as the Royal Laotian government, between January 1, 1971 and December 31 1975 relating to the status of any United States prisoners of war (POWs) or those missing in action (MIAs) in Laos, including but not limited to any reports prepared by Mr. Horgan or any other agent or employee or any other agency. (F-1998-00735)
4. Those records of the Select Committee on POW/MIA Affairs that were withdrawn from the collection of the National Archives and returned to your agency for processing. In addition I request access to the listing of those documents referred to in the attached letter to my client from the Archives. (F-1998-00736)
5. All records in the possession and control of your agency relating to any of the following U.S. military personnel and civilians who were involved in the Vietnam war and were known to be either taken as prisoners of war or listed as missing or killed in action in that conflict. (F-1998-00742)

The enclosed documents constitute the Agency's final response regarding these FOIA requests. Please find enclosed 20 documents that we determined may be released in their entirety and 102 documents that we determined may be released in segregable form with deletions made on the basis of FOIA exemptions (b)(1), (b)(2), (b)(3), and (b)(5). In addition, we determined that 26 documents must be protected in their entirety on the basis of FOIA exemptions (b)(1), (b)(2), (b)(3) and (b)(5). Please find enclosed an explanation of these exemptions.

The official responsible for these determinations is Scott Koch, CIA Information & Privacy Coordinator. Agency regulations specify that the Agency will not accept any administrative appeal of adverse determinations that are the subject of pending litigation in federal court. Because your FOIA requests are the subject of pending federal litigation, the Agency will not accept any administrative appeal regarding the determinations described above. For your information, Agency regulations are located in part 1900 of title 32 of the Code of Federal Regulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Koch", with a long horizontal flourish extending to the right.

Scott Koch  
Information and Privacy Coordinator
